For the 2020/21, 2021/22 and 2022/23 academic years, each academy within Diverse Academies has its own admissions policy.

Diverse Academies adhere to the Nottinghamshire or Lincolnshire admissions arrangements and over-subscription criteria.

Please refer to the individual academy websites to access the respective policy.

You can find links to the individual academies on the Diverse Academies website under the 'Our academies' section. Visit [www.diverseacademies.org.uk/our-academies/our-locations](http://www.diverseacademies.org.uk/our-academies/our-locations).
